

2022 Kindbody Grant for Fertility for Colored Girls
\$50,000

Divided among 3 recipients for one IVF cycle each

Terms & Conditions:

- The application period will run from Apr 11, 2022 through Apr 30, 2022 . Grant recipients will be notified by June 30, 2022.
- Submission of an application does not guarantee receipt of grant.
- By submitting the application, you agree that if you are awarded the grant, the notification of the award may be recorded and shared publicly.
- Kindbody is granting 3 recipients with 1 IVF cycle each, valued at a total of \$50,000. Recipients will be selected by a committee of Fertility for Colored Girls and Kindbody representatives, including medical providers. The selection of recipients is solely up to the discretion of the committee.
- As with any medical procedure or treatment, there is no guarantee of a successful outcome.
- Funds must be used within twelve (12) months of award and treatment must begin by December 1, 2022 or the grant will expire.
- All information provided on the application must be accurate and truthful. If you are awarded a grant, and it is determined that information provided was falsified, you will be responsible for repaying Kindbody.
- If there are any changes in insurance status, income or otherwise prior to gift award, you must contact Fertility for Colored Girls (FFCG) NFP.
- Fertility for Colored Girls (FFCG) NFP has the right to confirm that applicants are in good standing with their fertility clinic.
- If you receive this grant, you agree to have your story and photo published and released as a recipient.
- Each recipient of the 2022 Kindbody Grant will receive services provided by Kindbody for one IVF treatment cycle with a Kindbody provider at a Kindbody clinic location. These services include: provider consultations, cycle monitoring, egg retrieval, ICSI, and embryo transfer. The recipient agrees to review, complete and sign all necessary paperwork and consents prior to any consultation, appointment, and treatment with a Kindbody provider.
- Any services covered by the recipient's insurance will be billed to the insurance company.
- Recipients are expected to cover the cost of medication and any other services not offered directly from Kindbody. This includes, but is not limited to, diagnostic testing, cryopreservation, PGT, Zymot, Violet, or OB services.
- This grant is not transferable and has no cash value.

Selection Process

1. After the application time period has closed, entries should be exported from the Google Form into a spreadsheet.
2. The Fertility For Colored Girls team should review the applications and choose their Top 10 grant recipient candidates.
3. From there, the Kindbody team, including a provider, will conduct a review of the finalists and their lab reports. During this period, Kindbody may disqualify a candidate for any reason and ask the FFCG team to provide an alternative candidate.
4. Kindbody will select the 3 recipients and will coordinate the notification process with the FFCG team. Recipients must be notified by June 30, 2022 per the Terms & Conditions.
5. Once the recipients are notified, Kindbody and FFCG will jointly share the recipients on each website and social media channels.
